months? What is running well, what can be better?

17.00 Dinner and evening time to meet with people in Oslo

*Thursday April 7: Nvivo*

9.00-10.30 People who have worked with Nvivo before show some of their Nvivo coding work as an example of how to work with coding and analysis

10.30-11.00 Coffee break

11.00-12.30 We help each other with questions about Nvivo. Please take with you at least one interview transcript in English so that you have an example that can be worked on during this day

12.30-14.00 Lunch and walk

14.00-15.00 Last running issues, goodbye (depending on the flight times we can add some program here)

15.00-18.00 For who is still around: further working with Nvivo, comparing codes, showing material

### *Wednesday April 6: Planning of joint articles*

For today, team members can discuss with each other what joint articles they want to write and with whom. Some of this was already planned in the proposal, but ideas for the topics and content still need to be chosen and discussed. New ideas might come up during the seminar.

- |             |  |
|-------------|--|
| 9.00-10.30  | Everyone starts with one author-team to discuss a joint article: brainstorm what the topic will be and make a provisional title and outline. Divide tasks. |
| 10.30-11.00 | Coffee break   |
| 11.00-12.30 | Continue with the earlier sessions. Some people may already want to start writing, others can have other ideas of how to use this time productively.       |
| 12.30-14.00 | Lunch and walk or museum visit   |
| 14.00-15.30 | The joint article topics and outline that have been worked on today are now presented by the authors. Feedback from the team.                              |
| 15.30-16.00 | Coffee break   |
| 16.00-17.00 | Evaluation meeting about first project year and cooperation: how have team members experienced this first year/first 6                                     |

### *Monday April 4: Fieldwork/research presentations*

Presentation by each team member about conducted fieldwork and plans for research. Few words of WP leader how they think their WP is progressing.

Guidelines for the presentation: What did you find during your fieldwork/how do you plan your next fieldwork? What help would you like to get from others? 20 mins each, plus Q&A (30 mins in total per person)

- |             |   |
|-------------|---|
| 9.00-9.30   | Explanation of seminar program and room for questions |
